

EMBRO8 reaches Northern Samar for first caravan

The Environmental Management Bureau RO8 brought its frontline services to the Province of Northern Samar to kick off the Hatid Serbisyo sa Probinsya Caravan of the Bureau, Thursday, March 21, 2024 at the Northern Samar Provincial Capitol.

EMB RO8 personnel from the Clearance and Permitting Division (CPD) discussed the pertinent laws enforced and acted on by the Bureau in the interest of the environment.

Meanwhile, Vice-Governor Clarence Dato extended his gratitude on behalf of the Province for the initiative of the Bureau in reaching the northernmost province of the region.

Together with community members of Barangays Dalakit and Kawayan in Catarman, Northern Samar, EMB RO8 also celebrated World Water Day with a Coastal Clean-up on Friday, March 22, 2024.

The clean-up was part of the Hatid Serbisyo Services Caravan.

EMB RO8 Regional Director Engr Wilson L. Trajeco led the activities, from the Caravan to the coastal clean-up drive.

The EMB services caravan is set to be held in the different provinces of the region year-round. /EKV.
